[REDACTED]

Blow by Blow reporting to SAC

1. Last evening General Cabell called down to inform me that General Walsh had called and was sending Colonel Richard Stewart to the meeting in your office at 9 this morning. In response to my giving him substantially the same information as set forth in the attached memorandum, he asked me to give you his view that he felt we had no alternative but to provide SAC the service desired even if at perhaps some trouble or possible security risk it were required also at SAC overseas' bases. He emphasized, however, that he was not making the decision but would leave the matter up to you.

2. In view of the upshot of this matter, I would suggest that you discuss this matter with [REDACTED] and myself prior to 9 a.m. this morning and that the rest of us meet in my office thereafter for [REDACTED] and me to conclude with Colonel Stewart in accordance with your decision.
